

Dear Music Lover,

The Brandon Dobbs Band is interested in playing your venue. We ask that you please take the time to carefully review our promo pack. Brandon, who originally started out as an acoustic act in 2004, has joined forces with a talented band. An original Americana/Roots music group based in Ft. Worth Texas, we play throughout Texas and neighboring states as well. We have received air play on radio stations such as Radio Free Texas, 95.3 The Range, TOSSM and Mandatory FM. This past year we were also a finalist in the Country Legends 92.1 Battle of The Bands. More recently we were semi-finalists in 95.9 The Ranch Stockyard Showdown and The Tumbleweed BBQ Battle of The Bands. Our debut album, Time Will Tell produced by Jeremy Watkins from Stoney LaRue's Aresnals, is available for purchase at Lonestar Music and I-tunes. It has been purchased by listeners throughout the United States, Germany, and France. The record contains 11 original songs all penned by Dobbs. We have entertained people all over Texas, opening for top Texas musicians such as Charlie Robison, Paul Eason, Joey Green, Steve Helms, Ryan James, Rich O'Toole and Kyle Bennet. We have also played shows in Arizona, Kansas, and even traveled to New York City to share our music with the people.

We hope to be added to your books as a regularly scheduled act. We thank you for your time and consideration and look forward to hearing from you soon!

Thank You,

*Brandon Dobbs Band

The Band

Brandon Dobbs-Vocals, Guitar

Trained musically as a child on the piano, it wasn't until his college days at Texas A&M that Brandon began playing guitar and writing music. His debut album, produced by Jeremy Watkins and released in 2007, resembles his unique musical style and background. With a father who loves the sounds of Willie Nelson and Merle Haggard and a mother who is more into the rock scene, they helped create a diverse sound which can be heard in Brandon's music today. Brandon has since joined forces with a very talented band and can now be seen playing venues throughout Texas.

Carter McFadden- Lead Guitar

A former rodeo champion and motocross rider, Carter joined the Brandon Dobbs Band in 2005. They started playing music together in west Texas. Realizing their styles created a unique sound they developed a full band and haven't slowed down since. Carter has played with the band throughout the state of Texas, Arizona, Kansas, and even New York. Carter is the longest running member of the band and has an amazing ear for music.

Bubba Burns- Drums, Vocals

The most experienced member of the band, Bubba has been drumming for over 20 years. Influenced by Phil Hart of Kansas and Terry Bozzio, Bubba brings a hard hitting high energy style of drumming to group. He has played with many praise and worship teams throughout north central Texas and several blues groups. He also drummed for Casey James before joining The Brandon Dobbs Band. Bubba is a very dedicated hard working drummer who brings experience and guidance to the group.

Adair Hill- Upright Bass

A very talented multi-instrumentalist with a bluegrass background, Adair Hill brings a unique style of bass playing to the band. Before joining The Brandon Dobbs Band, he played the banjo in musical powerhouses such as The Brazos County Chicken Pickers and The Backdoor Banditos. He toured the world for a year with the latter sharing American folk and bluegrass with people from metropolitan cities to third world villages. His high energy style of bass fiddlin' makes him the showman of the group.
